	TAKES I will send you slight different takes for mixing options	INITIAL IDEAS I will send you a video with initial groove ideas to start working from	MP3 I will send you an MP3 version of the song with the drums to easily get a vibe from the takes.	MIXED I can send you raw files, or I can add a bit of compression and EQ to slightly fatten the sound.	CONSULTING I am happy to pitch ideas based on my experience as a working drummer	AMENDS If there are certain things you're not happy with specific takes, I will redo entire takes or punch-in amends to better match the feel	RATE PER TRACK Rate includes all admin, file transfers, tuning the drums, preparation (learning the songs), recording, studio costs, etc.
